Flying Food Group caters three carriers at additional stations

By **Rick Lundstrom** on November, 22 2016 | Catering

Starting November 1, Flying Food Group (FFG) began catering added locations for three major customers.

The caterer now supplies ANA for its three daily flights from Honolulu; KLM Royal Dutch Airlines on its daily flight from Miami and SAS for its two daily flights from Chicago O'Hare.

ANA became a FFG customer in 1998. FFG also supplies the airline from New York Kennedy, O'Hare, Seattle and San Francisco/San Jose. KLM has been with FFG since 1999 and is also a customer from Los Angeles, O'Hare and San Francisco. SAS has chosen FFG catering since 1998 and currently also uses the caterer in Newark and Miami.
