Qatar Airways opens new lounge at LHR

The new Frequent Flyer lounge at LHR opened September 15

Qatar Airways last week unveiled a new Frequent Flyer Lounge for Privilege Club members and **one**world alliance partners at London Heathrow Terminal 4.

Located a floor below the Premium Lounge the new facility has a modern interior overlooking the tarmac. Eligible passengers can choose from a menu of a hot and cold buffet selections and a range of beverages.

Qatar Airways' Premium Lounge in Terminal 4, is the first in the airline's global network, and has also recently reopened its doors to Qatar Airways First and Business Class passengers. The Premium Lounge boasts of elegant seating areas, tarmac views, a martini bar, a dedicated family area, prayer room and diverse dining options including a full buffet and an à la carte menu served to fine dining standards at the brasserie and casual dining at the Global Deli.

Also at LHR, Qatar Airways has dedicated a new enclosed Premium Check-in Area exclusively for its First and Business Class passengers. Within the check-in lobby area, customers are invited to quiet lounge with refreshing beverages while check-in formalities are completed. With a boarding card and fast track invitation in hand, passengers can arrive at our lounge with ample time to spare before boarding their flight.
