# APOT General Meeting planned for Singapore

By **Rick Lundstrom** on October, 15 2018 | Catering

Asia Pacific Onboard Travel (APOT) will be holding its Annual General Meeting to coincide with the Future Travel Experience Expo, November 13-14 at the Marina Bay Sands in Singapore.

At the FTE this year will be a Street Food Festival with food sampling and networking opportunities from noon to 3:00 p.m. each day.

“APOT Management will be attending and we very much hope you will support this new event. Top airline executives will be there so it is an amazing opportunity to promote what we do in food and beverage service to impact the passenger experience,” said an announcement from the group. Planned for the two days are discussions and debates during morning activities.

More information on the event can be found [here](#).
