The long-term partnership between [Gate Gourmet](#) and [Delta Air Lines](#) has been extended an additional five years, cementing the caterer as Delta's exclusive service partner at 45 locations across North America, Latin America, Europe and Asia Pacific.

The partners have been working together for several years with the ultimate goal of creating a catering operation that "matches Delta's industry-leading operational performance and distinctive culinary offerings," according to a press release from [gategroup](#).

Xavier Rossinyol, gategroup's CEO, said in a statement: "You have to earn your seat at the table with a global carrier such as Delta. We have partnered closely to design, develop and deliver a unique culinary and service offering that matches elevated operational excellence standards. We look forward to continuing our strong collaboration over the next five years and beyond as we work together to define the gold standard for airline catering."
