

Flying Food Group ORD and ITA airways launch service to FCO

Flying Food Group

[Flying Food Group ORD](#) has announced its partnership with [ITA Airways](#) to deliver culinary delights to travelers on the recently launched route from Chicago O'Hare International Airport ([ORD](#)) to Rome Fiumicino Airport ([FCO](#)).

The services began earlier this month on the route that will operate six times a week. As the sixth destination for ITA Airways in the United States, the Flying Food Group ORD joins a lineup that includes [JFK](#), [IAD](#), [MIA](#), [LAX](#) and [SFO](#). This expansion underscores ITA Airways' commitment to enhancing its presence in key markets.

"We are thrilled to extend our cooperation with ITA Airways for this new location," said Nicolas Rondeau, Senior Sales and Marketing Management Executive of Flying Food Group. "Our team is dedicated to providing exceptional catering services that complement the outstanding service offered by ITA Airways, enriching the travel experience for passengers flying between Chicago and Rome."
