
Flying Food Group launches second Aerolineas Argentinas gate

By **PAX International** on December, 14 2018 | Catering

As of December 1, [Flying Food Group](#)'s New York facility (JFK) is catering daily [Aerolineas Argentinas](#) flights between New York City and Buenos Aires. The caterer's Miami facility (MIA) has serviced the airline's flights between Miami and Buenos Aires since 2014.

According to Nicolas Rondeau, Executive Vice President, Sales and Marketing, Flying Food Group is the exclusive U.S.-based caterer for Aerolineas Argentinas. "It is a vote of confidence when a current customer adds catering business," Rondeau said in a statement from the company..
