

dnata names Clive Sauv -Hopkins Global Head of Airport Operations

Clive Sauv -Hopkins, Divisional Senior Vice President (DSVP), Airport Operations

[dnata](#) has appointed Clive Sauv -Hopkins to the position of Divisional Senior Vice President (DSVP), Airport Operations. His appointment is effective immediately.

In his role, Sauv -Hopkins will oversee dnata's global ground handling and cargo business at 97 airports in 16 countries, the April 24 press release said. He will manage a team of over 37,000 customer-centric aviation professionals.

Sauv -Hopkins brings extensive international experience in commercial strategy and business transformation to the role, having held several senior leadership positions with [Swissport](#), [Servisair](#), [Aviapartner](#), [Qatar Airways](#) and the [Abu Dhabi Developmental Holding Company](#) (ADQ).

Sauv -Hopkins will be based in Dubai and report to Steve Allen, Group Chief Executive Officer, dnata.

"I'm pleased to have Clive on board our global management team. Clive has all the experience and skills to drive our growth strategy and ensure consistent quality and safe services, with a continued focus on people and sustainability across our global operations. I look forward to working together as we enhance our business and offering," said Allen.
