

Airport Dimensions launches third sleep 'n fly lounge at DXB

[Airport Dimensions](#) has opened a sleep 'n fly Sleep Lounge at Concourse C (Terminal 3) in [Dubai International Airport](#) (DXB). This new facility offers guests a unique, private space in which to rest and socially distance.

Sleep 'n fly is a provider of dedicated airport sleep lounges, providing passengers a welcome opportunity to have some downtime without having to leave the airport, ahead of their departing or connecting flight.

The Concourse C lounge is Airport Dimensions' third sleep 'n fly branded location at Dubai International and the company's relationship with the airport dates back to 2017, when it opened its Concourse A premises. This opening also marks the fourth Sleep Lounge Airport Dimensions has brought to airports in the Middle East and the second opening at a Gulf hub over the last three months, respectively.

The full range of features include:

- FlexiSuite Pods (12 available): This 180° flat-bed reclining seat in a soundproof space represents the gold standard in sleeping pod design. The space features dimmable and ambient lighting, air conditioning, a reading light, a folding tray, a small waste bin, a 32-inch screen to

connect to a mobile, tablet or laptop, cup holders, baggage storage and compartments to store coats, shoes and a laptop.

- Sleep Cabins (five available): Three double bed cabins with an optional pull-out bed for a child up to 45-inches in height and two bunk bed cabins are available. Stylishly designed, in addition to soundproofing and air conditioning, the cabins offer main, ambient and reading lights, an alarm clock a coat hanger, a mirror and a tray table.

Dubai International Airport is the world's busiest airport for international travel, connecting more than 240 destinations across six continents on more than 100 airlines.

"We're delighted to be further expanding our business at Dubai International Airport, offering our third Sleep Lounge to passengers looking for a place to rest and relax away from the buzz of the main concourse.

We've seen considerable growth in our operations since Airport Dimensions acquired the ONGROUND Hospitality business and sleep 'n fly and we're looking forward to continuing to work together to increase our offering at airports worldwide," says Oliver Schulz, Managing Director at ONGROUND Hospitality.

"The new sleep 'n fly Sleep Lounge at DXB is a welcome addition to our ever-evolving customer proposition at DXB. We're committed to work with travel-centric partners in responding to travelers' needs, especially in a fast-changing market," adds Eugene Barry, Executive Vice President Commercial at Dubai Airports.

As a leading lounge provider across the USA and an expanding presence globally, Airport Dimensions has a wealth of expertise. It is part of airport loyalty experts, Collinson Group, which also encompasses Priority Pass, the global lounge access program.
