Restaurateur Jamie Oliver paid a surprise visit to staff at Jamie's Deli in September 2019

Jamie Oliver, world-renowned chef and restaurateur, surprised the staff with a visit to Jamie's Deli at [Amsterdam Airport Schiphol](#) (AMS) this month. Oliver spent the visit speaking with colleagues about their work and hearing the latest developments about the restaurant.

Jamie's Deli at AMS is a partnership between [The Jamie Oliver Group](#) and [SSP Group](#), operator of food and beverage outlets in travel locations. SSP Group operates 15 Jamie Oliver bars and restaurants in Austria, Finland, France, Germany, the Netherlands, Norway, Spain and the UK – with new units to open in Bahrain and Brazil.

In June, SSP Group strengthened its partnership with Jamie Oliver after taking over operations of three units at Gatwick Airport – Jamie's Italian, Jamie's Coffee Lounge and Jamie Oliver's Diner.

In a September 27 statement from SSP, Oliver said: "It was fantastic to pop in and say hello to the Jamie's Deli team at Schiphol Airport. It's always such a pleasure to meet, and get a chance to chat to, staff on the ground, who work hard to bring our menus to life."
