
Gut Springenheide offers new omelet

By **PAX International** on October, 22 2018 | Food & Beverage

[Gut Springenheide](#) has added a new variety of omelets to its range. Available in sizes from 35g to 250g, the company's Mexican omelet combines kidney beans, peppers and carrots in a light and fluffy egg base. Other hand-cooked egg products from Gut Springenheide's line include Italian frittatas, filled egg rolls, crepes, tortillas, fried eggs and egg-pancakes, and the company notes that it is always happy to adjust orders to a customer's needs.
