Phat Porridge

By **Melissa Silva** on April, 22 2015 | Food & Beverage

Company: The Phat Pasty Co.

Location: Newport Pagnell, England

Description: The Phat Pasty Co. is pleased to introduce Phat Porridge, which was on display at this year's WTCE in Hamburg. Made with Scottish oats and a touch of demerara sugar, Phat Porridge is low in fat and a good source of energy. Phat Porridge comes with a spoon inside the lid, making it an ideal hot snack for any time of the day.
