
Single-serve condiments by Chosen Foods

By **PAX International** on June, 17 2019 | Food & Beverage

[Chosen Foods](#), the largest supplier of avocado oil in the world, has launched its new line of single-serve mayos and dressings.

The line extension is made with 100% pure avocado oil and non-GMO ingredients. Each single-serve packet offers an array of options suitable for a healthy lifestyle.

The new roster of single-serve condiments includes Lemon Garlic Dressing, Chipotle Ranch Dressing, Traditional Avocado Oil Mayo and Traditional Vegan Avocado Oil Mayo. The easy-to-use options are ideal for lunches, the office, travel and camping.

Chosen Foods will also soon be launching a new line extension to its salad dressings with five Goddess dressing flavors and is also expanding beyond the pantry with the addition of guacamole to its avocado-inspired product line.

For more information on how to bring these products on board, please contact [AirlineMporium](#).
