# JOB POST: Executive Chef, Addis International Catering

By **PAX International** on November, 26 2018 | Job Board

## **Executive Chef - Addis International Catering**

[Addis International Catering](#) [AIC] is seeking an enthusiastic and skilled person to support and help lead our international team of chefs and catering personnel at our modern unit in Addis Ababa Bole International Airport. AIC is a "boutique" catering operation built to the highest international standards, providing catering and other services to quality carriers including EgyptAir, Emirates Airlines, Kenya Airways, Lufthansa and Qatar Airways, plus a large number of VIP flights to the most exacting standards. In addition, AIC has a rapidly expanding range of services into the domestic bespoke catering market as well as contracts with institutions.

Reporting directly to Chief Operating Officer, the successful candidate should have flight catering experience in food production and in international cuisine to the highest standards and be well versed with HACCP. A key quality will also be personnel management and cultural understanding of a multi-national workforce.

The position attract expatriate benefits that include accommodation, transport, medical, etc.
