

Air India selects Hughes IFC for Airbus and Boeing fleet

Air India and Hughes enter IFC agreement

[Air India Limited](#) has selected [Hughes](#) to transform inflight connectivity across its [Airbus](#) and [Boeing](#) widebody fleet.

“With Hughes inflight connectivity, passengers and crew will benefit from consistent, global coverage no matter where they are,” Reza Rasoulia, Senior Vice President & GM, Hughes, said via LinkedIn. “This partnership also allows Air India to harmonize the onboard digital experience across their aircraft.”
