

# Chair Airlines brings Inflight Dublin's Everhub solution onboard

Chair Airlines' IFE is powered by Inflight Dublin

[Chair Airlines](#) has announced it will use [Inflight Dublin](#)'s aircraft-powered Everhub solution to provide entertainment to passengers.

The selection of entertainment available to Chair Airlines' passengers includes blockbusters, timeless classics, family-friendly films and popular television series. The wireless streaming service, powered by Inflight Dublin, will allow passengers to access the entire library from their phone or tablet.
