

Emirates curates "award-winning" IFE selection

Emirates IFE selection on *ice* will feature some recent award winners starting this month

[Emirates](#) has announced that starting this month, passengers will be able to experience modern movie magic on its IFE system, *ice*, with recent award-winning films.

The recently launched "Award Winners" collection features the film industry's top productions including the multi-award-winning film from Christopher Nolan, *Oppenheimer* starring Cillian Murphy. The film is the winner of 7 BAFTA awards, 5 Golden Globes, 8 Critics Choice Awards and has 13 Academy Award® nominations ahead of the ceremony on March 10.

Golden Globe winner *Killers of the Flower Moon*, directed by Martin Scorsese and starring Leonardo DiCaprio and Lily Gladstone also scored a large number of onominations this year including 10 Academy Award® Nominations and is now available on *ice*. More of 2024's top award-winning movies on *ice* include Korean romantic drama *Past Lives*, legal drama *Anatomy of a Fall* and box office success *Barbie*; all of these films are nominated for Best Picture at the 96th annual Academy Awards®.

The selection also features some recent award-winning animated movies on *ice*, such as *The Super Mario Bros. Movie*, *Spider-Man: Across the Spider-Verse* and *Elemental*.

In the category of award-winning action, *ice* features science fiction action movie *The Creator*, thriller *The Burial*, and the biographical drama *BlackBerry*.

Music lovers can now watch several catchy award-winners available on *ice* including *Little Richard: I Am Everything*, *A Haunting in Venice*, and *Flora and Son*. *ice* will also feature *Dream Scenario* – a black comedy and fantasy film starring Nicolas Cage. Passengers can watch *Priscilla*, Sofia Coppola's biographical drama about the wife of Elvis Presley.

ice also has more than 100 documentaries to choose from, including Brazilian documentary film *Retratos Fantomas*, or the American documentary film *After the Bite*.

Passengers who want to watch the latest in award-winning entertainment can take advantage of these offerings starting this month on Emirates' *ice* selection. *ice* offers more than 6,500 channels of on demand movies, TV shows, music, podcasts and live TV.
