
IFE Services picked for content by Iraqi Airways

By **Rick Lundstrom** on January, 30 2014 | Inflight Entertainment

[IFE Services](#) announced today that it has been appointed by [Iraqi Airways](#) as its in-flight entertainment content provider.

IFE Services is supplying Iraqi Airways with a selection of Hollywood and Arabic movies, Kurdish music and drama, comedy and documentary TV shows. The IFE content is available in Arabic and English via the audio video on-demand (AVOD) seat-back systems on the aircraft.

Iraqi Airways is the national flag carrier of Iraq and was founded in 1946. The airline currently has a fleet of 737s and a 767. The airline operates service from Baghdad to London Gatwick among other destinations.
