

Media Carrier Solutions brings e-library to Lufthansa City Airlines

Media Carrier's e-library selection for download on Lufthansa City Airlines

[Media Carrier Solutions GmbH](#) has expanded its paperless reading service agreement with Lufthansa to bring its e-library onboard [Lufthansa City Airlines](#).

“We are so proud to announce that our e-library fully equipped with renowned newspapers and magazines is now available along the travel journey with Lufthansa City. Passengers can access the e-library via link at several touchpoints, including the Lufthansa App,” the company said via LinkedIn.

Passengers can use their free download allocation from five days before departure and up to the last day of travel.
