

Media Carrier Solutions brings digital newspapers to Discover Airlines

Passengers can read daily digital newspapers onboard Discover Airlines aircraft equipped with AERQ's entertainment system

[Media Carrier Solutions](#) has been providing passengers on [Discover Airlines](#) with magazines onboard since 2021. Now, the content service provider is offering daily digital newspapers for passengers to read inflight as well.

Daily newspapers like FAZ, BILD, Daily Mail, Newsweek & Co. are now available on all Discover Airlines' aircraft equipped with the Onboard Cloud and [AERQ](#) entertainment system, Media Carrier Solutions said in its press release.

Passengers can read the latest editions of their favourite newspapers paperless above the clouds.
