

Linstol showcases special "Pink" edition products for Breast Cancer Awareness Month

Linstol showcases special "Pink" edition products for Breast Cancer Awareness Month

[Linstol](#) is showing support for Breast Cancer Awareness Month with special edition products. This includes special edition PE-11 ergonomic earbuds, designed to fit comfortably in the ear for a relaxing inflight experience.

"We're turning up the pink!" Linstol said in its LinkedIn post. "Explore our special-edition products as we stand united in the fight against breast cancer. Together, we can help pave the way toward a future free of this disease."
