

# InflightDirect secures multi-year earbud contract with Aeromexico

The earbuds from InflightDirect

[InflightDirect](#) has announced to [PAX Tech](#) that it has been selected for a new multi-year earbud contract with [Aeromexico](#).

"We have been selected to supply a low-cost solution for the present economic time. Not only is it a cost-effective earbud model, it is packed into an environmentally friendly kraft paper bag with custom graphics," said InflightDirect President and CEO Thomas G Mockler.

"With costs increasing daily for materials, transportation and all aspects of production and distribution, we are pleased to provide this item to not only satisfy passengers while travelling it keeps customers budgets satisfied," he said.
