

# J&C Aero celebrates grand opening of Cabin Interiors Hub

The official opening of J&C Aero's Cabin Interiors Hub in Vilnius, Lithuania

[J&C Aero](#) marked the official opening of its Cabin Interiors Hub in Lithuania this month with its Grand Day celebration.

The company's new hub is located in Vilnius and will serve as a base that delivers key services for modern aircraft cabin interiors. Within the Cabin Interiors Hub, design, engineering, production and maintenance services will operate under one roof.

"We share a very big thank you to all our partners and the team whose hard work over the past two years made this day possible," the company said on LinkedIn alongside images of its grand opening ceremony.
