

# Partnership opens operation in Dubai

[Signature Plating](#) announced today a formal partnership with [OmnAvia Interiors](#) of Winston Salem, North Carolina.

The two companies have joined forces to offer a complete interior solution for customers needing soft goods and decorative metal finishes. Mutual customers will be OEM's, MRO's, completion centers, airlines, and individual aircraft operators.

This partnership will establish a presence for their services in the Middle East, Africa, India and Asia and will be based in Dubai where it will have product support and sales teams. A central location in the region will ensure superior customer support, something both companies maintain is their highest priority.

Established as an expert supplier, and with more than 30 years experience managing complex interior programs, OmnAvia Interiors has a variety of carpets, sheepskins, headliners, window panel faux leather, woven upholstery/fabrics, and accessories.

Signature Plating is a full-service plating facility dedicated to producing products with rapid turn times. The company's services include decorative plating and anodizing for the aviation industry, as well as other VIP markets.
