Safran Seats signs MOA with Eastern Airlines Technic

[Safran Seats](#) and [Eastern Airlines Technic](#) have marked a milestone in their long-standing partnership with the signing of a Memorandum of Agreement (MOA) for MRO collaboration.

Building on the existing relationship across the airline's fleet, including its 777 aircraft equipped with Safran Seats' First and Business Class seats, this agreement expands the collaboration to support selected seats throughout their lifecycle.

As part of Safran Seats' SeatLife service offering, this project combines Safran Seats' OEM expertise with Eastern Airlines Technic's operational capabilities to ensure long-term support for China Eastern Airlines' in-service seats.

"Safran Seats thanks Eastern Airlines Technic for its continued trust and partnership," the company said in its announcement.
