

Louis Philippe Mallette becomes Chief Executive Officer of AJW Technique

Louis Philippe Mallette as Chief Executive Officer of AJW Technique

[AJW Group](#) has announced the appointment of Louis Philippe Mallette as Chief Executive Officer of AJW Technique.

In this role, Mallette will lead the strategic and operational direction of AJW Technique, the Group's Montreal-based MRO hub, whilst working in close collaboration with Clyde Buntrock, Chief Executive Officer of AJW Aviation. This partnership model reinforces AJW Group's commitment to integrated, complementary leadership across its global operations.

Reporting to Christopher Whiteside, Chairman of AJW Group, Mallette's appointment reflects the organization's confidence in his strategic vision and proven track record within the Group.

"Louis Philippe's appointment marks an important evolution for AJW Technique," said Christopher Whiteside, Chairman. "His strategic vision positions us well for continued growth and excellence in the global aviation MRO sector."
