

Safran Group names Kevin Pearson CEO of Safran Seats USA

Kevin Pearson, CEO, Safran Seats USA

[Safran Group](#) has announced the appointment of Kevin Pearson as CEO of Safran Seats USA.

With 20 years of experience within Safran, Pearson has held leadership positions across engineering, supply chain, program management and operations.

Most recently, as Executive Vice President Strategic Purchasing & Supply Chain at Safran Cabin, he led the company's global supplier strategy and helped strengthen operational performance across the business.

"We wish him every success in his new role and thank Trice Smith for his commitment and contributions to Safran Seats USA," Safran said via LinkedIn.
