Geven marks 40 years

[Geven](#) is celebrating 40 years, marking the milestone with team festivities.

“Geven's journey began in 1984 with a clear and ambitious vision from its founder, President Getullio Veneruso: to turn a family dream into a successful reality,” the company said via LinkedIn. “Today, 40 years later, we celebrate together the extraordinary path that has made Geven a benchmark in the aircraft interiors industry.”

Geven acknowledged the dedication of all its team members in reaching the milestone of four decades in the business on its special anniversary.

“The future awaits us with new challenges and opportunities, and we are ready to continue soaring ever higher together with all of you!”
