

Safran equips Hainan Airlines A330 with Skylounge Core Business Class seats and RAVE Ultra IFE

Hainan Airlines A330 equipped with Safran's Skylounge Core Business Class seats and RAVE Ultra IFE

[Safran](#) is celebrating the delivery of a new A330 aircraft to [Hainan Airlines](#), equipped with the supplier's Business Class seats, galleys and IFE system.

Starting November 16, passengers can enjoy an elevated onboard experience with Safran's Skylounge Core Business Class seats, galleys and RAVE Ultra inflight entertainment system, now debuting in the Chinese mainland.

"We want to congratulate everyone involved for reaching this milestone," the supplier said. "Thank you to Hainan Airlines for your continued trust and partnership. We look forward to supporting the success of your fleet and passengers across China and beyond!"
