The Business Class cabin on Juneyao Air's A320neo

Juneyao Air showed its new A320neo aircraft during its first flight December 15. The Shanghai-based carrier equipped the cabin with Recaro's BL3530 SWIFT in Economy Class, and the CL4710 seats in Business

Class. Juneyao Air the first airline to be featuring the CL4710 in the Asia-Pacific region. Its flagship 787-9 fleet has the Recaro CL3710 Economy Class seats.

“We are thrilled to be the first airline in the region to debut the Recaro CL4710 seat to our passengers. Our discerning flyers can look forward to a top-of-the-range business class seat that offers them greater comfort and premium features,” says Wang Junjin, Chairman of Juneyao Air. “The customized design will support Juneyao Air branding, while the comfort features Recaro is renowned

for ensures an excellent passenger experience.”

The Recaro CL4710 business features ergonomic design and adjusted calf rest and several configuration possibilities and storage options. Other features include an in-arm table with a power outlet. A flexible headrest enables passengers to lean their heads against it sideways when seated in a resting position.

The Recaro BL3530 SWIFT features smartly designed solutions which facilitate the handling of personal electronic devices such as a tablet holder, a pocket for stowing as well as a power supply.

“We are delighted to have Juneyao Air as the launch customer for our CL4710 business class seat in Asia,” said Mark Hiller, CEO and Shareholder of Recaro Aircraft Seating in today’s announcement. “It is the second time they chose Recaro to equip the full cabin of their aircraft and we look forward to continue our successful collaboration and further strengthen our partnership.”
