# SkyTender introduces SkyBarista coffee trolleys

By **PAX International** on March, 21 2019 | Trolleys & Galleys

[SkyTender](#) has announced its new SkyBarista range.

With its newly certified, tested and ready-to-fly SkyBarista coffee trolleys, SkyTender is first to offer coffee specialties freshly prepared in front of airline passengers.

SkyBarista offers authentic barista coffee quality in 50 shades of choice. According to SkyTender, SkyBarista increases coffee take-rates on board, generates additional ancillary revenues and creates opportunities for up- and cross-selling, as well as data transparency.

"Flight Attendants are proud to serve great coffee, and SkyBarista optimizes crew handling and airline operations," said a release from the company.

Visit SkyTender at [WTCE](#) Hamburg from April 2 to 4, stand 1G 25, to sample their wares.
