
Air France and Albéa Travel Designer partner on new kit

By **Jane Hobson** on November, 15 2019 | Amenities & Comfort

Air France's new Premium Economy sachet kits are available in bright blue and green

[Air France](#)'s Premium Economy passengers will receive a new kit onboard flights as the result of a partnership between the airline's design agency [Brandimage](#) and [Albéa Travel Designer](#).

The sachet kits, made from neoprene foam fabric, have an original design and come in a choice of bright blue and green. It includes headphone protectors, ear plugs, a toothbrush, toothpaste, a pair of socks and a sleep mask.

Air France and Albéa Travel Designer have been working together for more than 14 years.
