

# Bayart Innovations supports Breast Cancer Awareness Month with collaborations

Air Caraïbes crew onboard supporting Breast Cancer Awareness Month

[Bayart Innovations](#) has announced collaborations with both [Air Caraïbes](#) and [Corsair](#) that promotes the prevention and screening of breast cancer.

Air Caraïbes passengers will receive a collectible pink amenity kit, composed of a sweat pouch with loop patch, an eye mask with nose cover, a dental kit, pair of socks, a show bag, a comb, earplugs, headphone covers, an information card about Breast Cancer, and two L'Occitane cosmetic products: shea butter face cream and shea butter lip balm. October is international Breast Cancer Awareness Month.

The October Rose pouch for Corsair

For Corsair, the amenities supplier has partnered with French organization [Les HôtesSES de l'air contre le cancer](#), which unites flight attendants in awareness against cancer. Together with Bayart, the airline is introducing the Pink October kit for premium passengers, available through the month of October. The collectable felt pouch with pink highlights includes a dental kit with [White Glo](#) tooth paste (five grams), ear plugs, a polycotton night mask and a pair of socks.
