
Buzz reveals kits for post-pandemic cabin

By **Jane Hobson** on June, 12 2020 | Amenities & Comfort

The Rohr Remedy kit includes hand sanitizer, sanitizing wipe and hand cream

[Buzz](#) has announced the release of two amenity kits aimed at providing confidence and assurance to passengers when flights resume, as well a touch of luxury.

“Buzz are known for creating innovative design solutions and this is no different. Our trusted brand collaborations provide the highest level of quality and luxury at a time when travelers need it most”, said Leonard Hamersfeld, Director, in the press release.

Buzz is offering "clean" products and wellness kits from established and reputable brands such as Murchison Hume, C.O. Bigelow, Rohr Remedy and Aromatherapy Associates.

The Murchison Hume Wellness Kit by Buzz

Murchison Hume Wellness Kit

The Murchison Hume Wellness Kit contains hand sanitizer, sanitizing surface spray, sanitizing wipe and hand cream. It can also include gloves and masks as needed.

Rohr Remedy kits

The Rohr Remedy kit includes hand sanitizer, sanitizing wipe and hand cream.

Both are available as full kits or as standalone product to add to existing amenity offerings.

Buzz is supplying airlines in Europe and the US, and is ready to support other airlines and hotels with its proven supply chain capabilities and global quality standards in order to meet travelers' needs.
