

Emirates now offering chauffeur service for First and Business passengers in Jakarta

Business Class and First Class Passengers can use the CDS service for arrivals and departures in Jakarta

[Emirates](#) has unveiled its Chauffeur Drive Service (CDS) in Jakarta, Indonesia, catering to First and Business Class passengers. In a November 20 press release, Emirates said that the exclusive service, “Promises a seamless, top-tier door-to-door experience to and from Soekarno-Hatta International Airport (CGK), ensuring comfort, privacy, and flexibility.”

Emirates’ passengers flying in First and Business Class can now take advantage of the complimentary Chauffeur-drive pickup service for both departures and arrivals within an 80-kilometer radius of [CGK](#). Additional mileage is available for a fee.

Passengers will enjoy luxury transportation in a Mercedes E class vehicle. Vans such as the Mercedes V class are subject to availability and passenger count.

Upon arrival at Soekarno-Hatta International Airport, CDS Staff will have greeters stationed at Gate 1 to facilitate passengers' movement to Zone 2 for pickup. Emirates’ passengers departing from CGK will be dropped at Gate 2, with easy access to the Emirates check-in counters at C Island.

The airline suggests that passengers schedule their Chauffeur-drive pickup at least 12 hours before their flight to ensure a smooth travel experience.
