Kaelis introduces kids' kit for Neos

[Kaelis](#) has announced its latest collaboration with [Neos](#), unveiling a kids' kit that features a dark blue backpack adorned with a playful superhero cat.

"This partnership emphasizes Kaelis' commitment to enhancing the flight experience, providing kids with both entertainment and engagement during their travels with Neos," Kaelis said in its November 6 press release.

The kids' kit is filled with curated items designed to stimulate creativity and learning. At the heart of the kit is an activity book that encourages kids to think, play and develop their skills while in the air.

Complementing the book is a box of coloured pencils and a pair of bicolour red and blue headphones, for enjoying music and audio content inflight.

The kids' backpack is made from non-woven material, while the activity book uses recycled paper and the pencil box is crafted from recycled cardboard. These eco-conscious choices highlight Kaelis' commitment to sustainable design.

Through this collaboration with Neos, the company said it reaffirms its dedication to delivering products that combine fun, sustainability and exceptional service, ensuring that every journey is as enjoyable as possible for kids and their families.
