

Kaelis introduces Premium Class amenities collection for Neos

Kaelis' amenity kits for Neos

[Kaelis](#) has announced its collaboration with [Neos](#), introducing an exclusive Premium Class cabin design collection which includes amenity kits and comfort items. The collection aims to make the passengers' inflight experience feel like home.

“Kaelis is delighted to work with Neos to provide top-tier comfort, making air travel more enjoyable and luxurious for passengers across the globe,” the November 4 press release said.

The Premium Class amenity collection is available in three colours: blue, red and grey. Each kit contains a selection of high-quality items, including lip balm, hand cream and facial cream from the renowned cosmetic brand The Rerum Natura. Passengers will also find a bamboo toothbrush and toothpaste, anti-skid socks, a pen and tissues.

Pillow with a tri-coloured pattern for Neos

The amenity kits are made from R-PET, an eco-friendly material created from recycled bottles, while the interior items utilize kraft paper and bamboo.

In addition to the amenity kits, the Premium Class comfort set is designed to elevate relaxation onboard. The set features a plush microfiber blanket tinted in dark grey hues, accompanied by a feathery pillow decorated with a tri-coloured pattern.
