

Kaelis partners with Qatar Airways to launch updated Hajj amenity kit

The kit includes a prayer mat, prayer beads, a tally counter, a small drawstring pouch for personal items, anti-slip socks and wet wipes

[Kaelis](#) has partnered with [Qatar Airways](#) to launch an updated Hajj amenity kit, designed to support passengers on the spiritual journey.

Inside, travelers will find essentials such as a prayer mat, prayer beads, a tally counter, a small drawstring pouch for personal items, anti-slip socks and wet wipes—all chosen to make the journey easier and more meaningful.

Everything comes neatly packed in a versatile, reusable black bag that doubles as both a rucksack and a sling bag. It is designed to move with passengers wherever their journey takes them—even after the flight.
