

# Kaelis World launches updated website

Kaelis has announced that it has modified its company registration name from Kaelis On Board Services S.L. to Kaelis World S.L. And with this, it has a launched a new [website](#).

The name modification comes as Kaelis extends its commitment to its global personal protective equipment (PPE) supply-chain management, moving beyond just supplying onboard services. The website includes a dedicated PPE section where customers can access the latest products and information.

"Trust, growth, excellence, innovation have been the main goals of Kaelis in the last 23 years," reads the press release. "Kaelis has pushed its own barriers to become the top independent leader in our industry with strong values and a clear business strategy."

"Now more than ever, the world needs all businesses to renew their commitment to make this a better place to live with a more cooperative, sustainable and responsible manner," the release continues.
