

New Bulgari amenity kits flying on Emirates

Emirates' new collection of amenity kits include eight different collectible bags across First and Business Class

In time for the Autumn and Winter season, [Emirates](#) has announced a new collection of [Bulgari](#) amenity kits for First Class and Business Class passengers. New colours and fragrances are featured in the kits and the range is available in eight different collectible bags across First and Business Class.

Business Class Kits

In Business Class, two bag shapes made from vegan leather are offered: a pouch and a classic toiletry bag. Both bags come in silver — a trending pantone according to the August press release.

BVLGARI OMNIA Amethyste Eau de Toilette is the featured fragrance, presented in bottles designed exclusively for Emirates. “The scent opens with the bright and citrusy facets of pink grapefruit and green sap accords, while the heart reveals rich Damascena Rose Absolute, accompanied by a warm, woody trail where the sweetness of a heliotrope accord melts into the vibrations of solar wood notes,” the release detailed.

Other products include the Omnia Amethyste face emulsion and body emulsion, a Bulgari lip balm, a dental kit, a double mirror made from wheat straw, deodorant, tissues and a foldaway hairbrush.

Two additional options are available in a “contemporary classic black fabric bags in varying shapes with tan vegan leather accents” for passengers “who prefer a masculine style.” In these kits, the featured fragrance is BVLGARI POUR HOMME Eau de Toilette: “a woody and floral musky scent in which

notes of Darjeeling tea, water lily, and guaiac wood blend flawlessly to create a soothing effect.” A complementary Bulgari after shave balm and body emulsion are included in the same scent in addition to a Gillette razor, shaving foam, a dental kit, deodorant, tissues and a foldaway hairbrush made from wheat straw.

First Class Kits

In First Class, two bags are available in black vegan leather with lilac accents and two additional bags are on option in a high-quality black fabric with tan vegan leather accents.

The black and lilac kits feature a new engraved gold Bulgari mirror (designed exclusively for Emirates) and a 30ml exclusive bottle of BVLGARI LE GEMME Desiria Eau de Parfum. The floral rose scent features violet jade, magnolia and radiant rose petals. A face and body emulsion in a matching scent are included as well as a dental kit, refreshing cleansing towel, deodorant, tissues and foldaway hairbrush.

In First Class, two bags are available in black vegan leather with lilac accents

“In the black and tan kits, passengers will enjoy a 30ml exclusive bottle of BVLGARI LE GEMME Gyan Eau de Parfum — a sophisticated, woody floral fragrance expressed through Patchouli and Jasmine Sambac. The scent profile reveals that ‘patchouli embodies the velvety sapphires of Kashmir, while jasmine sambac is reminiscent of sumptuous Himalayan skies.’ The kit also features a hydrating Bulgari Le Gemme Gyan after shave balm and matching body emulsion, cleansing towel, Gillette razor, shaving foam, dental kit, deodorant, tissues and foldaway hairbrush,” the release detailed.

New collectible amenity kits for Economy and Premium Economy passengers are set to be launched later this year.
