# Rossiya Airlines launches new Business Class kit

By **Rachel Debling** on May, 27 2019 | Amenities & Comfort

Face and hand products by Transvital are provided in the kit

[Rossiya Airlines](#) is flying a new Business Class amenity and comfort kit, created by [AK-Service](#).

The bag combines practicality, convenience and style, according to AK-Service, and reflects the airline's corporate colors.

The comfort items included were selected to ensure a comfortable flight, no matter the distance or duration: slippers, a sleep mask, earplugs and cosmetics from Swiss brand [Transvital](#) are tucked into the convenient bag.
