

SKYPRO celebrates achievement in innovation

Sandra Santos, CEO, Logoplaste, presents the award to Jorge Pinto, CEO of SKYPRO

[SKYPRO](#) has won the “Small Company – Global” category at the Innovation in Internationalization Award, an initiative by [COTEC Portugal](#), in partnership with [Santander Portugal](#) and the [World Trade Center Lisboa](#).

The award was delivered by Sandra Santos, Logoplaste CEO and member of the distinguished jury panel. Jorge Pinto, CEO of SKYPRO, accepted the award on behalf of the company, briefly acknowledging SKYPRO’s journey and commitment to global growth through innovation and resilience.

“This recognition reinforces SKYPRO’s ambition to lead the future of corporate uniforms worldwide, delivering sustainable, high-performance solutions to clients all around the world,” the supplier said via LinkedIn. “We also congratulate OLI - SISTEMAS SANITÁRIOS, S.A., the overall winner of this edition, and all finalists, whose achievements reflect the strength and global potential of Portuguese companies.”
