
Ukraine International Airlines flies new Business Class tableware

By **Rachel Debling** on February, 20 2019 | Amenities & Comfort

The white eight-piece set features a clean, modern design

Passengers flying in Business Class on [Ukraine International Airlines](#) (UIA) medium- and long-haul routes will dine off a new series of tableware designed by [Kaelis](#).

The custom eight-piece set was created by Kaelis with the help of UIA's Production Department and includes soft lines, a clean style and unique glasses to enhance the onboard experience of the airline's guests.

For more information, please contact [Kaelis](#).
