WESSCO and STARLUX introduce AIRSORAYAMA amenity kits

The AIRSORAYAMA amenity kit

WESSCO has highlighted its partnership with STARLUX Airlines in an Instagram post featuring the limited-edition AIRSORAYAMA amenity kit collection, now available onboard in Premium Economy and Economy Class.

Inspired by the metallic world of Japanese artist Hajime Sorayama, the collection brings a futuristic aesthetic to the airline’s passenger amenities.

WESSCO announced the onboard debut highlighting design and collectability as central elements of the collaboration.
