

WTCE spotlight: Aire Inflight

A baby amenity kit for Emirates Airlines from Aire Inflight

[Aire Inflight](#) is a supplier based in Dubai. The company has been serving the airline industry for more than 18 years and will be exhibiting at WTCE Hamburg this June 6 to 8.

Aire Inflight values the need for eco-friendly, biodegradable products in the airline industry. The company has started supplying rPET materials, biodegradable and eco-friendly products.

Plush toys for Emirates Airlines from Aire Inflight

Currently, the company supplies an rPET baby amenity kit, rPET blankets, rPET plush toys, biodegradable amenities and eco-friendly packaging to [Emirates Airlines](#).
