

## WTCE spotlight: John Horsfall

John Horsfall provides a range of inflight blankets, from high volume economy to the finest quality lambs wool

[John Horsfall](#) is a family-run business of textile manufacturers, crafting its textile manufacturing skills for the past 160 years. The company has worked with airlines for nearly 50 years, enhancing the passenger experience on all levels with its range of inflight textiles and linens.

John Horsfall provides quality textile products that deliver cabin comfort. From a short daytime flight to a long-haul overnight route, the company equips passengers with all the necessary textiles.

Crisp and clean, or luxurious and bold, the vast range of headrests are designed to delight

For inflight comfort during the day, John Horsfall includes a range of comfort-enhancing products, creating a personalized at-seat experience for all passengers. Their day blankets, headrest covers and decorative cushions have travellers feeling right at home. From high volume economy to the finest quality lambswool, the company has solutions for every cabin and budget.

Their innovative mattress pads elevate and enhance the long-haul flight experience with added comfort and contentment. From Luxury memory foam to innovative eco-fibres, everything is engineered to precisely fit any seat, stowage and budget.

John Horsfall will be exhibiting in WTCE Hamburg this year from June 6 to 8.
