

# dnata launches operations at Raleigh-Durham International Airport

dnata serving Lufthansa at RDU

[dnata](#) has launched operations at Raleigh-Durham International Airport ([RDU](#)) and now provides a range of ground handling services at 28 airports across the country.

dnata's expansion into RDU represents an investment of US\$ 2 million and will create more than 25 local jobs with the company, the press release said. The inaugural customer is Lufthansa which operates a five-weekly service between the North Carolina airport and Frankfurt with an A330-300 aircraft.

"We are excited to add Raleigh-Durham to our growing network in the USA. This expansion underscores our commitment to consistently invest in our operations and services in a strategic, rapidly developing market," said David Barker, dnata's Regional CEO, Airport Operations, Americas.

He added, "We are proud to have been selected by [Lufthansa](#) as their ground-handling partner at another airport. We look forward to working with the airline's local team to contribute to their success with our best-in-class services."
