
dnata Romania caters EU Summit

By **Rick Lundstrom** on June, 10 2019 | Catering

[dnata](#) last week added diplomacy to its catering expertise, as its chefs prepared meals for more than 150 high-level government representatives during the Informal Summit of Heads of State or Government of the European Union which took place in Romania, at Sibiu City Hall and [Brukenthal Palace](#).

dnata also provided logistics services, catering equipment and wait staff for the summit.

“Being selected to cater this prestigious event is a testament to our experience and commitment to culinary and service excellence,” said Saade Hardan, General Manager, dnata Romania.

“Besides serving six commercial airlines and numerous charter and VIP flights, we operate more than 20 restaurants and cafes in Romania and also cater a growing number of VIP events.”
