

# dnata wins multi-year contract with Etihad Airways

dnata delivering catering services to Etihad Airways

[dnata](#) has been awarded a multi-year contract by [Etihad Airways](#) in the U.S. The new partnership will see dnata provide inflight catering services to the Abu Dhabi-based airline from its facility at Boston Logan Airport ([BOS](#)).

dnata's teams will produce more than 125,000 meals annually to cater the airline's four weekly flights to Abu Dhabi, starting 31 March 2024.

"We are delighted to have been appointed as the exclusive catering supplier to Etihad Airways in Boston. Our experienced team will consistently deliver outstanding culinary products that contribute to the passenger's exceptional journey," said Peter DeVito, Chief Executive Officer, dnata Catering North America. "We look forward to working closely with Etihad and will continue to invest in our people, infrastructure and products to be the best in everything we do."

dnata provides catering and retail services to 40 airlines across 12 airports with a team of more than

1000 hospitality professionals throughout the United States. The company delivered 1.5 million meals for 8000 individual flights at Boston Logan Airport in the 2022 to 2023 financial year, the April 2nd press release said.
