

# Flying Food Group catering start-up airline Avelo at BUR

[Avelo](#), the newest airline in the United States, has chosen [Flying Food Group](#) to cater flights from [Hollywood Burbank Airport](#) (BUR) to 11 destinations, primarily in the western U.S.

Avelo Airlines operates a single-class, 189-seat 737-800 aircraft launched April 28.

In announcing the new affiliation, Flying Food Group Executive Vice-President Airline Sales & Marketing Nicolas Rondeau noted that Avelo offers passengers exceptional access and convenience with a varied schedule of daily direct flights between Los Angeles and airports in California, Colorado, Montana, Oregon and Washington.

Rondeau added that Avelo is the first mainline US-based carrier to debut in more than 14 years.
