# Flying Food Group caters Eurowings

By **Jane Hobson** on January, 8 2020 | Catering

[Flying Food Group](#) has announced that its Newark facility (EWR) is now catering daily [Eurowings](#) flights between Newark and Dusseldorf International Airport (DUS). The catering service on the route began January 6.

Eurowings is a new customer for the airline meal provider.

“The crew was very impressed by the seamless launch of service,” said Nicolas Rondeau, Executive Vice President of Airline Sales and Marketing for Flying Food Group.
